

THE LANGUAGE ACADEMY.

Introducing our new Candidates Referral Program

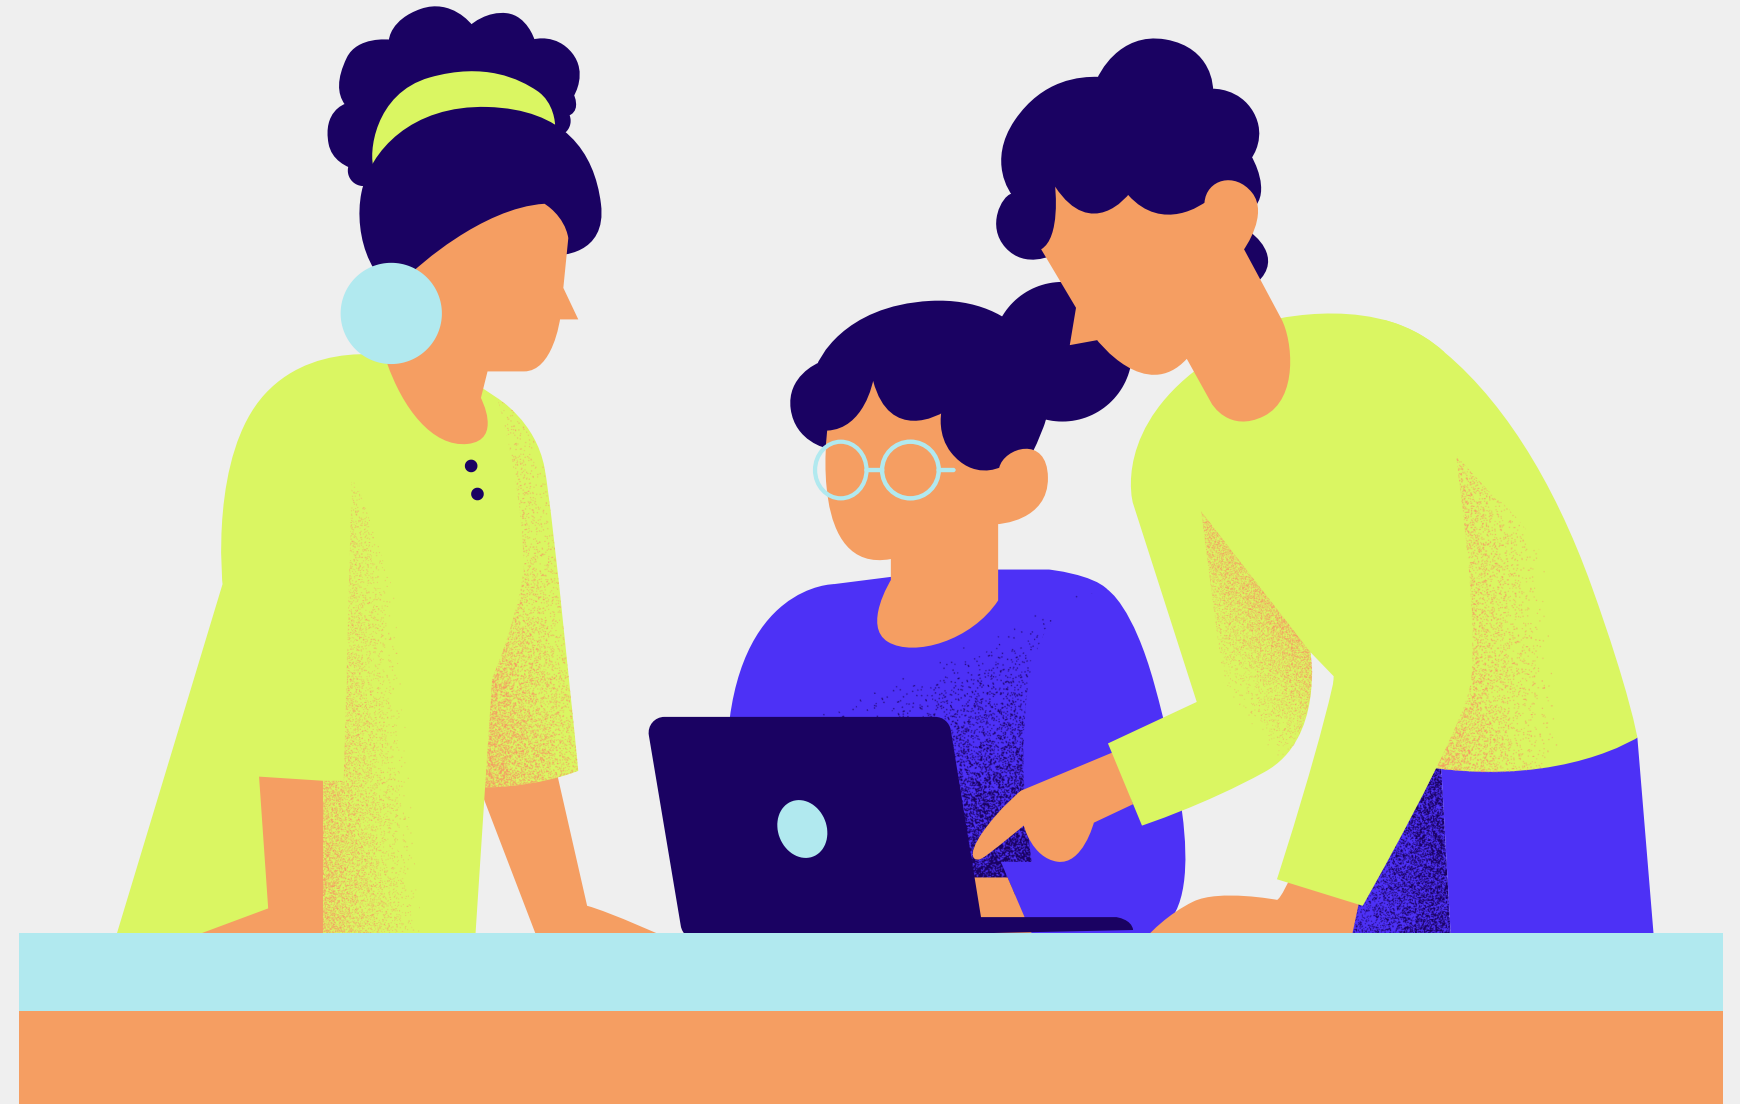

Do you know someone who would be
a perfect fit for our teaching abroad
program?

We believe that great people attracts
great people, and that's why we're
excited to launch our new
Candidates Referral Program.

How it works...

1) SPREAD THE WORD

Let your friends, family, and professional network know about The language academy, abroad experience. Share the details and encourage them to apply by mentioning your referral.

2) APPLICATION PROCESS

Candidates should mention your name during the application process to ensure we know about your referral. They can apply directly on our website or through our designated channels.

3) SELECTION

Our dedicated team will evaluate each application carefully. If your referral meets the requirements and successfully joins our program, you'll be eligible for the referral bonus.
